

# Excel Unloaded Keystone Patch Panel Frame - 48-port, Screened, 1U - Chrome

Item Code: 100-042

**excel**  
without compromise.

✕ High Density -1U 48 port

✕ Ideal for standard and pre-terminated installations

✕ Supplied with earthing kit

✕ Compatible with Excel Category 5e, 6 & 6A Jacks

✕ Supplied with cable management bar

✕ RoHS, Reach compliant

## Product Overview

The Excel 48 Port 1U Keystone patch panel delivers a high density offering with the benefit of a double row of keystone jacks.

Each row houses 24 Keystone jacks positioned back to back giving the highest density possible whilst allowing good access for patching and un-patching and allows any individual jack to be removed if required.

## Product Specifications

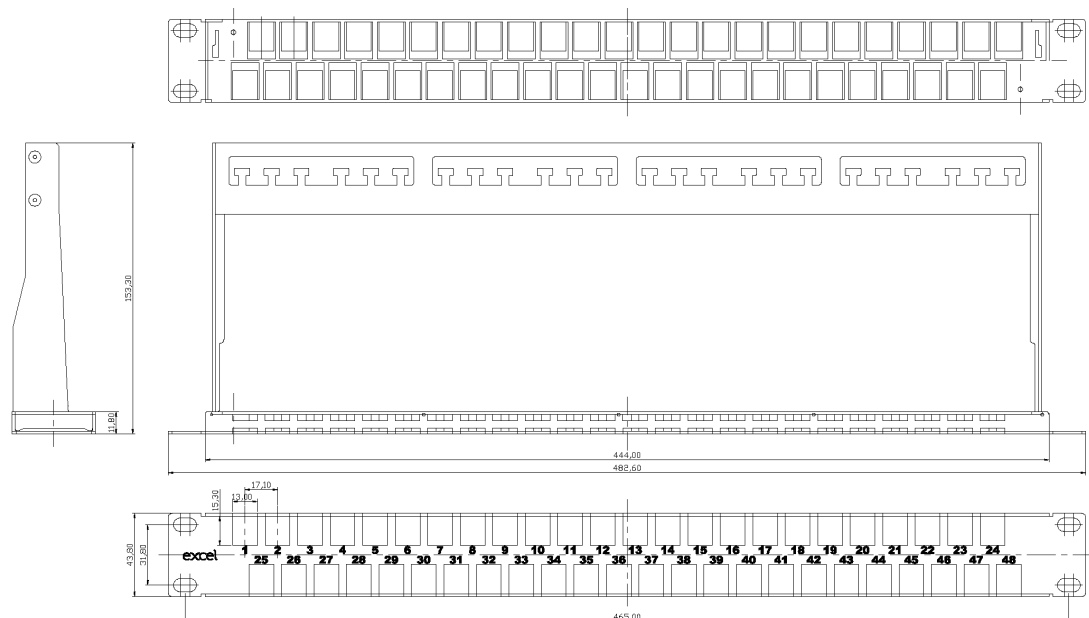

| Feature                                  | Values                  |
|--|-------------------------|
| Suitable for number of outlets / modules | 48                      |
| Category                                 | Keystone Jack dependent |
| Number of rack units (RU)                | 1                       |
| Colour                                   | Chrome                  |
| Mounting method                          | 19 inch mounting        |
| Height                                   | 43.8 mm                 |
| Width                                    | 482.5 mm                |
| Depth                                    | 153.3 mm                |
