

Excel ExpressNet Unloaded Modular Panel - 4-Module, 1U - Silver

Item Code: 100-230

excel
without compromise.

✕ Available in 4/8 modules

✕ Accepts Copper & Fibre ExpressNet Modules

✕ 1U of Rack Space

✕ Toolless assembly and module fitting

✕ 25 Year system warranty

Product Overview

The Excel ExpressNet Panel accepts either and/or both copper and fibre modules. The ability to have fibre and copper presented in one panel offers flexibility in the installation, reduces required rack space and provides future proofing in system design.

Useful in the extremes of installations from data centres where the ExpressNet panel may aid separation of the routes of cabling, to a remote wall box that has a small number of fibre and copper links, the ExpressNet panel will suit any environment. The construction of the panel has a chrome colour finish and may be used for either screened or unscreened copper cabling and LC or MTP fibre connectivity. A 4 or 8 module ExpressNet panel is available, both using 1U of rack space.

Product Specifications

| Feature | Values |
|--|------------------|
| Suitable for number of outlets / modules | 24 |
| Category | Module dependent |
| Number of rack units (RU) | 1 |
| Colour | Silver |
| Mounting method | 19 inch mounting |
| Height | 44.4 mm |
| Width | 482 mm |
| Depth | 73 mm |
